PAYMENT OPTIONS

Choose the Payment Option that works best for you!

We've made registration simple and flexible. Choose from two convenient payment options:

OPTION 1 — PAY IN FULL

Pay your entire tour balance at the time of registration.

OPTION 2 — EASY INSTALLMENT PLAN

Pay a \$500 deposit to secure your spot, add any optional upgrades, and we'll divide your remaining tour balance into equal payments every two months through June 1, 2027. All participants must be paid in full by June 1, 2027.

Easy Installment Plan option explained:

A \$500 non-refundable deposit is required at the time of registration to secure your spot. Any optional add-ons, including the Payment Protection Plan (PPP) and Single Room Upgrade, are also paid in full at registration.

After registration, your remaining tour balance will be divided into equal installments, with payments scheduled every two months from your registration date through June 1, 2027. Your final installment, final payment, will be due on June 1, 2027. The earlier you register, the more installments you'll have available to spread out your remaining balance.

Easy Installment Plan Examples

The examples below are based on:

Player Tour Package: \$2,999

Single Room Upgrade: \$695

Payment Protection Plan: \$59

Total Package: \$3,753

At registration:

\$500 Deposit + \$695 Single Room Upgrade + \$59 PPP = \$1,254

This leaves a \$2,499 tour balance to be divided equally among the remaining installments.
