Dear Beast Hockey players and participants,

On behalf of myself and the Oktoberfest Adult Hockey Classic, we are thrilled to personally invite you to join us in Fussen, Germany in September, 2027 for an unforgettable week of hockey and cultural experiences!

We look forward to welcoming the players and supporters of Beast Hockey Global USA for an exciting adult hockey tournament filled with competitive play, sportsmanship, team-building, new friendships and fun on and off the ice. Beast Hockey Global has been a premier partner and welcomed guest for more than 20 years and our host teams can't wait to meet you, to share our passion for the game and to create lasting memories together.

In addition to all the fun in the rink, Shawn has filled your schedule with the many world-class activities and experiences that we offer here locally in beautiful Bavaria! Get ready for an amazing time.

We are confident that 2027 will be another unique experience combining hockey, friendship, and cultural exchange.
